**Pinecraft Scaffolding** is committed to meeting your scaffolding needs and providing customer satisfaction along with safety and value. We were founded in 1968 and incorporated in 1983 and bring years of scaffolding experience and knowledge through our office personnel, warehouse team, competent scaffold erectors and safety program. This family owned and operated company offers current and prospective customers the value and confidence they deserve.

For larger scaffold requests and more complex situations, please allow us the opportunity to visit your job or review your plans in order to provide an assessment of the right access solution for a safe and efficient work area. In doing this, we will be able to provide a quote for a straight rental or a turnkey installation for your entire scaffold needs from start to finish. Scaffolding will be erected and dismantled properly, safely, on-time and in compliance with OSHA regulations.

Whether you are a general contractor, a large industrial or commercial contractor, or a small trade contractor, we have what you need and want to thank you for your loyalty and continue to assure you that we will be able to provide you with quality products and service to which you are accustomed.

### **PineCraft Scaffolding represents the best manufacturers for our clients.**

**Granite Industries** is a leading U.S. manufacturer of a complete line of Scaffold Frames, Utility Scaffolds, System Scaffolds & Scaffold Accessories. We also manufacture Bleacher Seating, Performance Staging, Crowd Control Fencing and several other quality products.

**Qual-Craft** Started in 1951, Qual-Craft has a long history of engineering, manufacturing and distributing quality products to the building trades. For more than fifty years, Qual-Craft has been the nation's leading manufacturer of light duty scaffolding products, roofing and shingling tools, ladder scaffolds and related safety products.

**Werner** is a fully integrated manufacturer and distributor of fiberglass, aluminum and wood climbing products. Our products are backed by over 60 years of state-of-the-art product design, thorough testing, and evaluation experience, making us the leader in climbing equipment. We manufacture a full line of safe, professional-grade products for any job and build them to withstand even the most challenging professional jobs. Werner ladders are found on more trucks and on more job sites than all other ladders combined. They are the pro's choice in ladders.

### Drywall Carts

*Lo-Rider Drywall Cart (DWC-LR) - Patent #D530,876*

Great for drywall, plywood, paneling and glass. Up to 3000# capacity on all models.  
Casters sold separately

Our Lo-Rider drywall cart (DWC-LR) has a drop deck with a lower center of gravity for more stability, making it the most stable drywall cart available. It comes standard with 4 removable handles and converts to a platform cart.

### Appliance Carts

Titan Appliance Cart (APP)

Titan-4 Appliance Cart (APP-4W)

Are you looking for tough? Meet the Titan. The Titan comes standard with dual tie down straps, 10" no flat tires, steel rollers and a heavy duty 1 1/4" frame construction. This cart is ideal for moving large, bulky and heavy appliances and awkward loads. A strap and tension bar holds the product in place while transporting up or down stairways, hills or uneven surfaces. Because of its rugged build, the Titan is a perfect rental item – able to withstand the punishment and beatings that your customers dish out.
